## WORK EXPERIENCE

4 Guys Interactive, Inc. | 2009 - Present

### Creative Developer

Web designer and front-end developer for a small boutique web agency, building bespoke design solutions for clients ranging from start-ups to Fortune 500 companies, which include Exxon Mobil and Schlumberger. Work responsibilities include:

- Design custom, content-centric solutions for clients and develop them on top of semantic, efficient code that is easy to maintain and update
- Communicate with clients about evolving design direction
- Help with day-to-day maintenance and management of on-site servers via direct server access or RDC

Achievements:

- Helped modernize design practices, transitioning HTML development to CSS layouts from table layouts
- Designed and developed 4 Guys Responsive Layout HTML template, allowing CSS designs to scale to any device resolution
- Push for clients to update Flash slideshows and build sites using best practices to ensure broadest mobile compatibility and enhanced SEO performance

Sample Selection of Clients:

- Schlumberger (Internal Event Site)
- Cypress Falls Pet Resort & Spa (<http://cypressfallspetresort.com>)
- Three Chicks Packin' ([www.threechickspackin.com](http://www.threechickspackin.com))
- Cat-Lift Trucks ([www.cat-lift.com](http://www.cat-lift.com))
- PCS-CTS ([www.pcs-cts.com](http://www.pcs-cts.com))
- Exxon Mobil (Intranet)
- Comet Rice (<http://www.comet-rice.com>)

Wheeler Central Designs | 2008 - 2009

### Freelance Web Designer

Freelance web designer providing HTML/CSS/JS templates for the WordPress CMS configured to work on top of a LAMP server configuration. Work included:

- Designing and developing websites for small business clients that were functional, attractive, yet cost-efficient
- Running custom home server for development based on LAMP configuration
- Client server setup including database creation and management
